講義目的及び到達目標	<p>This course is designed to help students prepare for TOEFL test (primarily focusing on the TOEFL Internet-based Test [iBT]). Its main objective is to help students feel confident and well-prepared when taking TOEFL test, which is widely used by foreign universities as an evaluation criterion of a prospective student's English fluency in the academic context. In this Spring class, students will familiarize themselves with various types of tasks concerning reading, listening, writing, speaking, grammar, and vocabulary placing special emphasis on strategies to deal with the TOEFL iBT. This course provides students with an opportunity to take TOEFL trial test of all four sections during the class hours. Furthermore, the material covered in class will help them improve their English communication for use in academic and professional setting. The students are expected to know their learning styles and gain new strategies effective to generate improved scores in TOEFL.</p> <p>Some of the course objectives are as follows:</p> <ol style="list-style-type: none"> (1) To become familiarized with the format of the TOEFL iBT (2) To gain TOEFL test-taking skills and strategies in each section of the test (3) To improve overall English skills: reading, writing, listening, and speaking (4) To learn how to read quickly and take notes effectively (5) To cultivate routines for self-study in order to reach at the target score in the test
