

English Language Support (ELS) Program

If you are a University of Hyogo student and need support with English (academic writing or presentation skills, filling out documents to apply for internships or study abroad, or preparation for English language tests), ELS is for you!

You can sign up for a lesson through the link or QR-code below to reserve a time (40 mins). (The meeting may be held face-to-face or over zoom.)

*Please keep in mind that the teachers will not be doing translations or consulting you regarding things unrelated to your education; they will not be able to help you with the contents for your writing either and will instead look at the mechanics (grammar, punctuation, structure, etc.).

*There are times when the teachers are unavailable, so please make the appointment in advance.

*Sessions can only be scheduled 3 business day before the chosen date.

*Please mind that you are not able to reserve a meeting for more than a month in advance.

*Please do not reserve the teachers' time for more than 4 times a month.

*Please be punctual. If you are running late, please notify the teacher by email.

* If you cancel without notice, you may be unable to use the service from the next time.
