

**Application Guidelines — Department of Global Business(Master's Degree Program)
of Graduate School of Social Sciences, University of Hyogo in AY2027**

1. Admission Policy

We accept applicants who aim to acquire the ability to solve a variety of issues in international business and related domains by obtaining expertise and skills in global business, including business in Japan, as well as cultural competence that will enable them to play an active role on the global stage. Our entrance examination process is focused on selecting students who have experience of studying in an intercultural environment; who possess expertise and skills in this field that are usually obtained in an undergraduate program, as well as language skills that would allow them to take classes conducted in English, and who are willing to use the skills and expertise they obtain within this program for the benefit of the society as a whole. The selection process is conducted entirely in English, involving a comprehensive assessment of application documents, written and oral examinations.
